Dear Ms. Dennis,

I am responding to your letter sent to me on November 9, 2016. First let me say thank you for the extensions allowed me. During the holidays it has been tough to complete the research on this matter but the extra time was very helpful. Thank you again.

To the best of our knowledge my campaign has refunded all monies owed, had contributions re-assigned, or reclassified any transactions in error according to your requests. We have confirmed that all refund checks have cleared our bank. If anything remains inaccurate at this point we can only attribute this to a problem with the way it is being reported on the FEC computer system.

I would ask for your help in understanding what our next steps should be to amend the report correctly if needed. I was the candidate and am personally attending to this business without any staff. I have made my best good faith effort to comply with all the rules. Please advise what more I need to do to finalize this.

Thank you in advance for you help in closing out this matter.

Sincerely,

Sen. Kyle McCarter
